University of Illinois Mathematics Graduate Open House, March 1-2, 2020

The schedule gives you many choices. It's impossible to do it all, so choose the things which interest you most. Feel free to take a break to explore campus or relax a bit, too. Please refer to your individual schedule, also. If you need to miss the lunch or any of your appointments, please contact the professor.

Contact numbers   Lee Deville office 217-333-5601   Marci Blocher office 217-333-5749
Karen Mortensen office 217-244-4128, cell phone 217-766-8175

Sunday, March 1 **6:30 -8:30pm**	*Graduate Student pizza party* - 239 Altgeld Hall Pizza and conversation with some of our current graduate students
Monday, March 2 **8:30-9:15 am**	*Continental Breakfast* - 407 Illini Union
9:00-9:25 am	*Welcome and Overview of PhD Program in Mathematics* – 407 Illini Hall Professor Jeremy Tyson, Chair Professor Lee DeVille, Director of Graduate Studies
9:25-9:50	*Tours of the Mathematics Department and Environs* Tour guides are PhD students Dana Neidinger, Dakota Ihli
10:00-10:50 am	*Short Presentations* – 407 Illini Hall 10:00 AWM – academic, social and outreach activities 10:20 IGL – research and outreach opportunities 10:40 EJP – teaching college classes at Danville Correctional Center	*Graduate Class* Math 540 – Real Analysis – Prof. Burak Erdogan 1066 Lincoln Hall
11:00-11:50 am	*Short Presentations* – 407 Illini Hall 11:00 Career paths and Internships for PhD students in math 11:25 Teaching opportunities in the Math Department	*Graduate Class* Math 500 – Abstract Algebra I – Prof. Lee DeVille 447 Altgeld Hall
12:00pm -1:00 pm	*Stages in the Math PhD program* – 147 Altgeld Hall A panel of Math PhD students will talk about their own experiences, with plenty of time to answer your questions. Panelists: PhD students Sarah Simpson, Brian Shin, Lina Li

1:00-2:00pm	*Lunch* Faculty will be taking you out for lunch in groups. See the personal schedule in your folder for details.			
2:00-3:00 pm	*Graduate Classes* Math 530 Algebraic Number Theory – Prof. Shiang Tang - 443 Altgeld Math 595 Machine Learning – Prof. Kay Kirkpatrick- 147 Altgeld (joint grad/undergrad course with student presentations today)		*Extended tour of Champaign* Led by PhD student Dakota Ihli. Meet in the hallway outside the Math Office, 273 Altgeld, by 2:00.	
3:00-4:00	*Graduate Homotopy Theory Seminar* – 441 Altgeld Hall	*Symplectic & Poisson Geometry Seminar*- 243 Altgeld Hall Speaker: Akira Kitaoka, U. of Tokyo	*LGBTQ+ drop in* – 239 Altgeld Hall Ready for some down time yet? Drop in for crafts, games, and conversation with some of our LGBTQ+ graduate students. Everyone is welcome!	Drop in to talk with Director of Graduate Studies Lee DeVille, 259 Altgeld Hall
4:00-5:00	*4:00 Graduate Student Colloquium* – 245 Altgeld Hall Linear Analysis on Singular Spaces Speaker: Hadrian Quan, PhD student in Mathematics The talk is about 40 minutes, with cookies and conversation afterwards, a great opportunity to meet more of our grad students.			Drop in to talk with Director of Graduate Studies Lee DeVille, 259 Altgeld Hall
5:00-6:00 pm	*AWM Social Hour –* Open House visitors are invited to join representatives of our award-winning AWM chapter for conversation. Meet in front of the Mathematics Library in Altgeld Hall to walk to the Bread Company together.		*Operator Algebra Learning Seminar – 241 Altgeld Hall* Participants in this seminar work through new material together, led by Prof. Marius Junge. Visitors welcome!	
6:30-9:00 pm	*Dinner for visitors and faculty* Home of Professor Richard Laugesen, 1103 S. Orchard St., Urbana A buffet dinner will be served starting at 6:45. Meet in front of the Mathematics Library in Altgeld Hall if you'd like to walk there together.
