

Math 542 Complex Variables
Fall 2020 University of Illinois
Professor Richard Laugesen <Laugesen@illinois.edu>

Assessment: 30% homework + 60% midterms + 10% final exam

Course site on Moodle: <https://learn.illinois.edu/course/view.php?id=49941>

How the course will be run:

This online course will include: narrated mini-lectures posted online (with pdf notes), online office hours and discussion board, weekly homework, four midterm exams (lowest one dropped), and a final exam (oral).

Academic integrity: According to the Student Code, “It is the responsibility of each student to refrain from infractions of academic integrity, from conduct that may lead to suspicion of such infractions, and from conduct that aids others in such infractions.” It is my responsibility as an instructor to uphold the academic integrity policy of the University, which can be found here: http://studentcode.illinois.edu/article1_part4_1-401.html

Disabilities: To ensure disability-related concerns are properly addressed from the beginning, students with disabilities who require assistance to participate in this class should contact me as soon as possible.

Technology needed to access the course:

- Computer or tablet
- Webcam, Speakers/headphones, Microphone
- Good internet connection, for downloading course videos and participating in office hours

Valuable items (not essential)

- External microphone (headset or desk-mounted), giving a better audio experience for you and your listeners
- Printer
