

Math 554 Linear Analysis and Partial Differential Equations

Fall 2020 University of Illinois

Professor Richard Laugesen <Laugesen@illinois.edu>

Assessment: 80% homework + 20% class participation in student presentations and asking questions and helping other students throughout the course

Course site on Moodle: <https://learn.illinois.edu/course/view.php?id=49944>

How the course will be run:

This hybrid course will include: narrated mini-lectures posted online (with pdf notes), online office hours and discussion board, weekly homework, and an in-person class meeting once per week for student presentations, homework discussion and community building. Students who choose not to present in person may present online.

Academic integrity: According to the Student Code, “It is the responsibility of each student to refrain from infractions of academic integrity, from conduct that may lead to suspicion of such infractions, and from conduct that aids others in such infractions.” It is my responsibility as an instructor to uphold the academic integrity policy of the University, which can be found here: http://studentcode.illinois.edu/article1_part4_1-401.html

Disabilities: To ensure disability-related concerns are properly addressed from the beginning, students with disabilities who require assistance to participate in this class should contact me as soon as possible.

Technology needed to access the course:

- Computer or tablet
- Webcam, Speakers/headphones, Microphone
- Good internet connection, for downloading course videos and participating in office hours

Valuable items (not essential)

- External microphone (headset or desk-mounted), giving a better audio experience for you and your listeners
- Printer
