

University of Illinois at Urbana-Champaign
Department of Mathematics
Assistant/Associate Professor Position

Applications are invited for one full-time faculty position to commence approximately August 16, 2016 at the tenure-track (Assistant Professor) level. In exceptional cases the department will consider a tenured appointment (Associate Professor). The department is interested in applicants in all areas of mathematics. Successful candidates are expected to teach effectively at both the undergraduate and graduate levels, establish and maintain an active and independent research program, and provide service to the department, the university and the profession. Salary and teaching load are competitive.

Applicants must have a Ph.D. (or equivalent) in Mathematics or related field at time of appointment, and are expected to present evidence of excellence in research and teaching. To be considered for a tenured appointment, the applicant must present a documented record of leadership in research and excellence in teaching.

Applications should be submitted electronically through <https://www.mathjobs.org/>. A complete application must include the AMS Standard Cover Sheet for Academic Employment, curriculum vitae including email address, a publication list, a research statement, and the names and contact information for three professional references. An additional reference addressing teaching is strongly recommended. It is strongly suggested that reference letter writers upload their letters before the deadline. Reference letter writers should submit their letters online through <http://mathjobs.org/>. If they are unable to do so, they may send their letters to the following address:
